

Lockdown Lowdown

Local Authority results summary - South Lanarkshire

The Scottish Youth Parliament, YouthLink Scotland and Young Scot joined together in April 2020 to deliver LockdownLowdown - a survey of nearly 2,500 young people from across Scotland on their concerns about COVID-19.

The national results have been published in a report which is available [here](#). The report gives a clear picture of what young people are worried about - and the impact that COVID-19 is having on their lives.

This document gives a summary of the responses from young people in South Lanarkshire.

Respondent Profile

66 young people from South Lanarkshire took part in this consultation.

Of these respondents:

- 71.2% are aged between 12 and 17, 19.7% are aged 18-20, and 9.1% are aged 21-25.
- 62.1% identify as female, and 36.4% identify as male. The remaining 1.5% respondents preferred not to say.
