

Your voice. Your future.

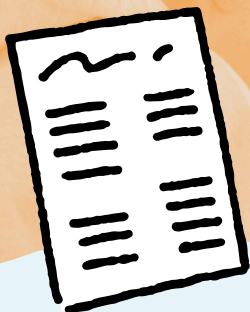

SYP's 2026 Manifesto Consultation

The Scottish Youth Parliament is engaging with young people aged between 12 and 25 across Scotland as part of our 2026 Manifesto Consultation - and we want to hear from you!

syp.org.uk/manifesto

What's this all about?

Every five years, in the run up to Scottish Parliament elections, SYP creates a new manifesto.

It is a document created by young people for young people, which includes a list of ideas which young people think decision makers should take forward.

You'll get to have your say and exercise your UNCRC Article 12 Right by expressing your views.

The Manifesto will be the starting point for all of our work over the next five years. Previous SYP manifestos and campaigns have led to real change for young people - such as the introduction of under 22s free bus travel.

Why should I get involved?

How do I take part?

Scan the QR code on this leaflet or go to syp.org.uk/manifesto to take part in our survey.

Plus, you'll earn Young Scot points and be in with a chance of winning a voucher of your choice!
